

1 then use that to disenfranchise the defendant.

2 Also, I would suggest that the broadness if
3 you leave it to the General Assembly would not do what
4 Delegate Bamberger would imagine it would do.

5 I would suggest our information was that our
6 Committee that studied this particular question spent
7 more time on it than did the General Assembly, and that
8 those people of the Governor's Mental Health Commission
9 believed that those people who were on the Governor's
10 Mental Health Commission, those who were professionals
11 in the area of mental health, were very much concerned
12 that the General Assembly would broaden this too much,
13 and that the only way to get at the real issue and the
14 real question here was to put it in the language recommended
15 by them to us that we have then recommended to you.

16 For those reasons, I would rise to speak against
17 and hope that you would vote against this amendment.

18 THE CHAIRMAN: Does any other Delegate desire
19 to speak in favor of the amendment?

20 Delegate Clagett.

21 DELEGATE CLAGETT: Would Delegate Bamberger
